Teamwork makes the Dream Work

Thank you to the folks at *Smith Home Gallery & Cabinet Works* and *Spahn & Rose Lumber* for taking on a project for Opening Doors. The Teresa Shelter needed a new intake room constructed and the team stepped up to help out. The walls are framed in and TJ from *Runde Electric* has the electrical complete. The drywall is ready to hang any day now. We may need some help with the tape and mud to complete the walls in the room. If you are interested in helping with this project, please contact Julie for more information.

Mission Statement..

Dubuque Homebuilders and Associates is a non-profit trade organization formed to promote and enhance the professionalization of home building and associated businesses in the tristate area. Our goal is to achieve continuity and communication among builders, sub-contractors, suppliers, financial institutions and local government to network for community growth and development

PICNIC IN THE PARK

What a beautiful evening we shared during this year's Picnic in the Park, sponsored by Black Hills Energy. Employees from Black Hills Energy covered all the details, allowing our members time to mingle and enjoy the view of the mighty Mississippi. Our Grill Master from Kalmes Catering prepared a wonderful meal and cooked the steaks to perfection.

Black Hills provided the raffle items, such as a couple of folding lawn chairs, grill kits, and many smaller items. Members enjoyed the raffle time and were very thankful for the beautiful weather and conversation.

The 50/50 drawing was won by our own Lloyd Gudenkauf, who was very surprised to win! The remaining half was donated to Black Hills Energy's Caring Hearts Program which provides funds to less fortunate families to assist in their winter heating needs.

We want to extend our sincere thank you to Black Hills Energy for their sponsorship and assistance for another successful event.

Thank you BHE!
