

From the President...

IT'S TIME TO CELEBRATE OUR SUMMER EVENTS!

The **Picnic in the Park** event is coming up on June 8, 2021 at Eagle Point Park. It's always a fun and relaxing evening of socialization with a beautiful view of the river and good food from Kalms Catering. Bring a guest who may be interested in joining the association. Make plans to join us and kick off our summer events! Call or email your reservations today.

July brings a new event! **Summer Fun** sponsored by *Smith Home Gallery & Cabinet Works* and *Top Notch Plumbing, Heating & Electrical* is scheduled for Thursday, July 15, 2021 at the Yardarm. We will enjoy this outdoor event by the river, and rockin' out with band, *Ratchet Jaws*. Cost is \$25 per person and reservations are being accepted now.

The **Annual Golf Outing**, sponsored by *Horsfield Materials*, *Gerhard's Kitchen & Bath* and *Green State Credit Union*, is scheduled for Friday, August 20, 2021 at Lacoma Golf Course. The new Friday date was well received last year so we decided to try it again this year. Shotgun start times have changed. The enclosed sign up sheet contains updated details.

Our **4th Annual Ballgame at Miller Park**, sponsored by *Spahn & Rose Lumber*, is scheduled for Saturday, September 18, 2021. We have a few changes this year. With the new MLB schedule, we will attend a night game this year. Details are being confirmed. Cost is \$75 per person. Members and families are welcome. Only 2 buses reserved, so don't miss out and sign up today!

The **Riverboat Cruise on the American Lady**, sponsored by *BARD Materials* and *Tri-State Concrete*, is confirmed for Tuesday, October 5, 2021. More details will be included in the July newsletter.

If any of you have information you would like to share about the building industry or one of our members, please either call or email Julie. We'd love to share the news with the membership!

*Did You
Know?*

Unlike many financial institutions, GreenState does NOT charge a 1% origination fee on mortgage loans. That puts millions back into the pockets of our mortgage members each year.

Rather than building up, millionaires in central London are building down, creating mega-basements. Nicknamed "iceberg homes" because there's more square footage under the ground than above.
