

From the President...

Thank you to everyone who participated in or attended our Home Show in February. Despite Friday night's blizzard and the temperature drop on Saturday and Sunday, vendors were excited about the quality conversations they had with attendees.

A big thank you as well to the members who volunteered their time to work at the Home Show! Kristie is currently working on distributing the proceeds from our ticket sales as donations to both Opening Doors Dubuque and Special Spaces. These local charities generously volunteered to sell tickets at the show.

We're already starting to plan for the 2026 show! If you have any ideas to make our event even better, please don't hesitate to reach out to me, Kristie, or any other board member.

We also had a fabulous time at the Dubuque Fighting Saints game, cheering on the team, meeting new acquaintances, and reconnecting with old friends. A huge thank-you to BARD Materials and Bradley Plumbing for sponsoring this fun night!

Mark your calendars for our exciting summer events!
