

From the President...

Hello,

As we step into 2026, the energy within our organization is unmistakable. Our momentum from last year hasn't just carried forward—it's accelerating. We're proud to share that seven new companies have already joined our organization this month, strengthening our network and expanding the opportunities available to all members.

That enthusiasm is also reflected in our upcoming **Home & Builders Show February 13th-15th** at the **Grand River Center**. Booth sales have already surpassed last year's total by 20%, a clear sign of the growing interest in our events and the value our members bring to the community.

We also encourage every member to help us keep this momentum going by **spreading the word** about our Home & Builders Show. A quick mention to your **employees, co-workers, business associates, and customers** goes a long way in boosting **visibility and driving attendance**. Also, when you see our posts on social media, please **share** them on your own pages—it's an easy, **cost-effective** way to help us reach a wider audience and strengthen the impact of the event.

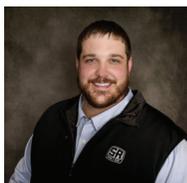

This year, we're also excited to welcome Goose & Giggles Play Café, who will be offering a small play area at the show where children can enjoy their toys alongside their families. It's a great spot for little ones to play while parents catch their breath from the day, adding a nice family-friendly touch to the event.

There are also opportunities to volunteer at the Home Show by greeting attendees and taking tickets inside the entrance door. If you'd like to help out during the event, please reach out to Kristie.

Thank you for being part of this incredible trajectory. Your engagement, support, and commitment continue to shape our success. Together, we're building something exceptional, and 2026 is already proving to be a year of growth and possibility.

Regards,

Brian Bowles, President
