

From the President...

A big thank-you to everyone who joined us for this year's Picnic in the Park. Your energy, conversations, and support made it an incredibly enjoyable event.

We also extend our sincere appreciation to our event sponsors, Black Hills Energy, Brunzell Lumber & Millwork, New Eagle Insurance and Ultra Solutions, whose generosity helped create a relaxed, welcoming environment for members and guests. Your partnership continues to strengthen our association and the community we serve.

We are proud to officially announce the launch of the Dubuque Homebuilders & Associates Skilled Trades Scholarship Fund — an investment in the next generation of builders, tradespeople, and industry leaders. This fund was seeded by proceeds from last year's Golf Cannon fundraiser sponsored by ABC Supply Co Inc. We are seeking members interested in helping establish the foundation of our new scholarship program, including developing the program structure, award amounts, eligibility criteria, and related guidelines. Please email Kristie at dbqhba115@gmail.com if you are interested. Together, we're helping ensure a strong, skilled workforce for the future of our industry.

Our annual Four-Person Best Shot Golf Outing is right around the corner, and excitement is already building. Sign-up for the Friday, August 14th event at LaComa Golf Club is included in this newsletter.

This year's event includes:

- The return of the Golf Cannon - help build our scholarship fund
- Golf Hecklers joining us for the first time -- all proceeds go to our new scholarship fund
- Sponsorship opportunities
- Team registration

Whether you sponsor, golf, or both, this event is one of the best ways to connect with fellow members and enjoy a day on the course. Not a golfer? No problem, see the registration form on how to join us for dinner!

A quick marketing note: Sponsorships are a powerful way to get your brand in front of your exact target market — builders, contractors, suppliers, and industry partners. Also, entering a team is a great way to say thank you to key business partners, valued customers, or employees. A day on the course builds relationships like nothing else.

Mark your calendars — our annual Trap Shoot returns this September 15th. More details will be shared soon, but expect a fun, competitive afternoon with great company and great food.

Builders, don't miss the chance to feature your craftsmanship in the Parade of Homes this October! This is a prime opportunity to highlight your stunning designs, attract potential buyers, and build your industry presence. Contact Kristie at 563.582.4553 or dbqhba115@gmail.com to register your home.

If you have updates, announcements, or information you'd like to share with our members, please email Kristie. She will ensure it's communicated!

Regards,

Brian Bowles, President

Every home begins with a foundation—and so does every career in the skilled trades.

The Dubuque Homebuilders & Associates is proud to announce the creation of a Scholarship Fund supporting young men and women pursuing education or entering directly into careers in the skilled trades.

The fund is seeded by proceeds from last year's Golf Cannon Fundraiser at our annual outing, with additional ways to contribute at this year's event by shooting the golf cannon or purchasing a heckle. Information included in the golf registration.

Members interested in helping shape this opportunity are invited to contact Kristie at dbqhba115@gmail.com or reach out to a board member.

Together, we're building the foundation for tomorrow.
