

From the President...

As summer winds down and we move into a busy fall season, I want to extend a sincere thank you to everyone who contributed to another successful **Golf Outing**. Whether you played, sponsored, volunteered, or donated a raffle basket, your support made the day exceptional. We are currently finalizing totals for our Scholarship Fund, and we look forward to sharing those numbers with you soon.

Our fundraising efforts also continue as Rick Barton prepares to represent Dubuque Homebuilders & Associates by repelling **Over the Edge** of the Nicolet Bank (previously MidWestOne Bank) building in support of the United Way of Dubuque Area Tri-States. The event takes place on September 11, and he is scheduled to rappel between **1:00 p.m. and 2:00 p.m.** If you'd like to stop down and cheer him on, we'd love to have you there. We are already over halfway to our **\$1,200 goal** for the local United Way, and your support can help push us across the finish line. If you're interested in sponsoring Rick, please reach out to Kristie at dbqhba115@gmail.com, or see the pledge card included in this newsletter.

Registration is now open for our Annual Trap Shoot at the Dubuque Shooting Society on September 15. The registration form is included in this newsletter. If shooting isn't your thing, we still hope you'll join us for a steak dinner catered by Kalmes and an evening of great conversation. We also have Bird Sponsorships available for \$200— a great way to support the trap shoot while hitting your target market with your marketing dollars!

Looking ahead, International Builders Show registration for Las Vegas will be opening soon — a tremendous opportunity for education, innovation, and industry networking.

Please also mark your calendars: our Holiday Party will be held on **Thursday, December 3rd at the Diamond Jo**, one week earlier than in previous years.

Finally, we want to share an important community opportunity. Loras College will host the Housing Instability System Enhancement Workshop on October 7–8, bringing together residents, service providers, housing professionals, and local leaders.

Day 1 focuses on understanding Dubuque's housing challenges and opportunities, while Day 2 shifts to action — small-group work aimed at practical next steps and collaborative solutions.

Details and registration can be found at: <https://www.tickettailor.com/events/communityfoundationofgreaterdubuque/2355974>

Thank you for your continued engagement and support. We look forward to seeing you at our upcoming events and continuing to strengthen our community together. We have also had a few members step up and join the scholarship committee. We'd love to have a few more - email Kristie if you are interested.

Warm regards,

Brian
