

From the President...

Dear Members,

As summer moves quickly along, our association is gearing up for several exciting events, and I want to share a few important reminders as we head into a busy and rewarding season together.

Our Annual Golf Outing is right around the corner on August 14th at Lacoma Golf Course. I encourage everyone who plans to join us to submit your registration. Spots are limited, and we're grateful to those who have already signed up — thank you for your enthusiasm and continued support. It's shaping up to be a fantastic day on the course, filled with great company, friendly competition, and community impact.

Looking ahead, the International Builders Show will take place in February 2027, and now is a great time to stay connected with updates. I encourage you to visit buildersshow.com and click "Notify Me" so you'll receive the latest information as registration and event details are released.

We also want to highlight a special moment coming this fall: Rick Barton of Barton Construction and Painting will be representing our association by going "Over the Edge" with the United Way on September 11. This is an incredible fundraiser supporting local nonprofits, and we're proud to have Rick taking on the challenge. Please check out the graphic in this newsletter to see how you can contribute to our fundraising goal.

And don't forget — our Trap Shoot is coming up on September 15 at the Dubuque Shooting Society. This event is always a member favorite, offering a relaxed evening of camaraderie and fun. Even if you're not a shooter, we'd love to have you join us for dinner and enjoy the atmosphere.

Thank you for your continued involvement and support. I look forward to seeing many of you at our upcoming events and celebrating another strong season for our association.

Warm regards,

Brian Bowles,
President
